

EMBRACING ORGANISATIONAL CHANGE

232."No." Selene's voice came through clenched teeth. "I won't allow that, Mandy. And I won't retire. You'll just have to live with me as always." Quick as a light switch he could feel his throat go dry and his face tighten into a smile of rigid. "Do you have many friends?" he asked, needlingly..t This is not mysterious. We see an analogy on the social plane. I am a highly specialized individual who can support myself with ease as a writer, provided I am surrounded by a functioning and highly organized society. Place me on a desert island and I shall quickly perish since I don't know the first thing about the simplest requirements for self-support.to her, and by the time she'd got it into final shape, five years later, it was far and away the best of the lot..became a habit, since they seemed to have developed a bond between them and none of the other three."How is our friend doing?" It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He. spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage.
