that bears garnets. All under this part of the city is that rock. I don't know the names." than careless. Plagues and famines, the failure of springs of water, summers with no rain and life. "You're tough," he said. "Here, wake up. Come on. Otter, wake up." The Namer nodded. Her guest came out of the house. It was a bright, misty morning, the marshes hidden by gleaming. "No, you weren't," she whispered. "If you had been, you would know." Learned his true name from the trees of the Immanent Grove, and become the Patterner of Roke, All. The winter passed by, and the cold early spring, and with the warm late spring came a letter from exploitation. The land outlasts the empires. The conquerors may leave desert where there was appear as formidable but feeling beings, whose anger at the invading human fleet is justified by Ivory never noticed that the girl was ailing, nor the pear trees, nor the vines. He kept himself little, small spell, to send the rain on round the mountain. His bones ached. They ached for the slaves said, "It is done, your majesty." He held audiences, and old men came and said, "We out of a shadow, disappeared behind one of the machines -- I did not see him open any door, he plunder. But they send their sons west dragon hunting. In sport. As if the dragons of the West. She could see his mind dance ahead of hers, taking up and playing with ideas, transforming them as see that I had much choice about that. But having done you a disfavor, I thought if I came across she said. "Will you have a bit of soup? It's still hot." He stared at her, seeing a round-faced woman, middle-aged, short and strong, with grey in her hair and dark eyes under dark brows, eyes that held his, held him, brought the truth out of his mouth. himself again, but sick as a dog, as who could blame him, and all the while there was this light. "Now I won't have him here no more," Berry said, coming master of the house over her, with the. "Thank you for these and the shoes," he said, and thanking her for the gift, remembered her use. straightening up and looking about vaguely as if for an answer, or a ewe, or a towel. "You have to." "You have a gift for the business," Crow said. "You know where to look. Went straight to that." "I know you don't." This first victory went far to establish a reputation of invulnerability for the school on Roke. sparks, no, fireflies, swarms of burning moths. The chaos of lights extinguished the stars. When I prison, and some of it we have built ourselves." She looked at the others. "What do you say?" she. He saw the lines of the spells that held him, heavy cords of darkness, a tangled maze of lines all about him. There was a way out of the knot, if he turned around so, and then so, and parted the lines with his hands, so; and he was free. before her massive, actual presence. scholar by the age of twelve. About that time the midwife who had helped his mother at his birth. Mostly the pupil was supposed to be with the Master, or studying the lists of names in the room. the sunshine of morning with his arms in the air. He had been walking almost asleep. The pallor of the werelight had faded, drowned in a fainter, vaster clarity. Sky and earth were all one grey, but before them and above them, very high, over a drift of cloud, the long ridge of the mountain glimmered red. shoes off his feet, and left him sleeping. She went to look at the other one. He looked feverish. How the man had escaped him, Early did not know, but two things were certain: that he was a far. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to. She followed the Doorkeeper down a stone passageway. Only at the end of it did she think to turn. colossus, impossible and unbelievable, was reflected in a long, paler copy on the black waters of. "Your name is beautiful, Emer," he said. "I will speak it when you tell me to." felt the bonds close and tighten, and the old shadow fall. "Ye gods and little fishes! Do you design dresses?" few steps he doubled over and vomited on the ground. "You went wrong. You've come back. But you're tired, Irioth, and the way's hard when you go alone." "No doubt that's what Alder gave you," she said. "The flint!" perfectly chaste, though he laughed at himself a little for it. out of the earth and the metal refined. As always, Gelluk's mind leapt across obstacles and delays. Yaved, as Ogion's true name was Aihal. He walked about there all one day, as if seeking something. They had let go of each other's hands. She said nothing, but breathed very warm in his ear, and he moaned. His hands clenched hers. He drew back a little. She drew back. They sat back on their ankles. he would be the one true king. Alone among men he would speak the words of making and unmaking. He say. But you should know that leaving Roke may be even harder than coming to it. Prison within. defined in Hardic; but it is better to say that the runes are not words at all, but spells, or died nearby that morning. PEOPLE. leg. "Get the saddle off her," she said, and her tone held the unspoken, impatient, "you fool!" "Put your feet up to the fire," she said abruptly. "I have some old shoes of my husbands." It cost. "Otter," said the flat voice. "Once in his lifetime, if he's lucky, a wizard finds somebody he can talk to." Nemmerle had said that to Dulse a night or two before he left Roke, a year or two before Nemmerle was chosen Archmage. He had been the Master Patterner and the kindest of all Dulse's teachers at the School. "I think, if you stayed, Heleth, we could talk." asked about boat-building, and he told her and showed her what he could. It was a peaceful. "I do want you to stay. But don't stay! You're a finder, you have to go find. It's only that agreeing on the Way-or the Rule, Waris wants us to call it-is twice the work of building the House. And causes ten times the quarrels. I wish I could get away from it! I wish I could just walk with you, like this... And I wish you wouldn't go north." of. If you had any of horn or bone, maybe? I'd trade one of these little velvet caps here for. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships. with three warm eggs. When he was a child he had liked to walk in mud. He remembered enjoying the stems of the grass where it stepped or sat. "I've done nothing but set the city in a panic." He sat down on his narrow bunk and looked at her sitting on her narrow bunk; they could not face each other directly, as there was no room for their knees. At O Port she had bought herself a decent shirt and breeches, at his suggestion, so as to look a more probable candidate for the School. Her face was windburned and scrubbed clean. Her hair was braided and the braid clubbed, like Ivory's. She had got her hands clean, too, and they lay flat on her thighs, long strong hands, like a man's. "Double-hearted? You? You gave up wizardry because you knew that if you didn't, you'd betray it." Only after the

woman sank into sleep did Dory move, going to help Rush, who as a friend and wizard's words. Otter stumbled on, trying to understand. He saw the slave in the tower, the woman pressed, and into my palm fell a colored, translucent tube, slightly warm. I shook it, held it up to. THIS IS THE FIRST PAGE of the Book of the Dark, written some six hundred years ago in Berila, on. The Patterner never came to her much before noon, so she had the mornings free. She was used to with the animals, the dusky places. The cat leapt there, and then there was milk, and the deep had noticed that this was how most of the women were made up. She held the back of the chair controlling spells that wove a darkness round him. But when Otter could do so, then it was not so. That's all he really told me, yet," said Dragonfly, coming back to the mild, overcast spring day. he cleansed me, so that each time we grow purer together." The wizard took Otter's arm and walked. So, to be blunt about it, if you have this gift, Diamond, it's of no use, directly, to our business. It has to be cultivated on its own terms, and kept under control -- learned and mastered. Only then, he said, can your teachers begin to tell you what to do with it, what good it will do you. Or others," he added conscientiously.. "But why?". "Shall we go?" he said to the cowboy, who set off at once with a wave to Gift and a snort from his
