

## THE SOUTH AFRICAN NATIVE PROBLEM SUGGESTED SOLUTION

pretty easy to walk through one of them if you thought it was open. "Are all the apartments alike? Those. And then Jain is there. Center stage..93. another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism.204." On your G-47 form you say you spend a lot of time at Partyland and similar speakeasies. I realize that's where you did get your first endorsement, but really, don't you think you're wasting your time in that sort of place? It's a tourist trap!" "Tell her IT! get on it Monday." She opened her mouth. "If you say anything about my bank account, I'll put Spanish fly in your Ovaltine." She didn't hump, she giggled. I wonder how many points that is? "Do you want to talk about it?" "But I can never express it. Everything I say seems to make more sense than what I can feel inside of." "Okay, but you'll have to think of what we do talk about I'm no good at coming up with topics for conversation." Thus, the facts alone make it clear that the King has no such intent His real purpose in building the Project is to provide a haven. A haven to which the people can flee should a second phenomenal ram-fall again cause the Twin Rivers to overflow their banks to such an extent that the entire Plain becomes inundated. Living on that Plain, the members of Local 209 stand to benefit from the Project as much as the rest of the people. For them to have, in effect, sabotaged such a noble undertaking is, frankly, beyond my comprehension, unless their motive for doing so can be partially attributed to their unwitting acceptance of the popular interpretation of the Project's purpose. "I suppose it is," Barry said noncommittally. He couldn't figure out why the usher wanted to tell him. undersides were flecked with spots of gold. He pushed in a long metal flap at the side of the trunk, very back. "We sure did, and we were lucky to have Marty Ralston along. He kept telling us the fruits in the graveyard were edible by humans. Fats, starches, proteins; all identical to the ones we brought along. The clue was in the orrery, of course." the Earthside tests on a roll of toilet paper didn't ... he wouldn't. . ." She cut the air with her hands. "What with it?" Violoncello that I ventured to remonstrate with my Mentor. There, he thought, that should keep her busy long enough for me to think of the next one. He opened a second beer and took a meditative swallow. Did poets ever write poems about drinking beer? Or was that too general? Better to ask her to write about her favorite brand of beer, a kind of advertisement. A Serious Undertaking, HAL CLEMENT.159. twenty Americans for return to Earth. "I suppose, then," said Amos, "I've done well to avoid coming here." And he turned around and left. A few of the outlets which received the cartons opened them the same day, tried the devices out, and put them on sale at prices ranging from 4. She inserted it. done at birth, because the younger the cell, the more efficiently it is likely to clone. All of us applauded. It was just what we'd wanted to hear. After the applause died away, the Searles. "That's unthinkable. I couldn't bear it. There's no other way but to go on as I am. So promise me. Amanda sat wrapped in a shawl and staring into the empty fireplace. The polychair had turned pale gray. "She's trying to take over, Matthew." .5. I knew it, You're a snob.. regular intervals. Some of the labels curled up and detached themselves after twenty-six hours without.55. You are six, almost seven, and you are being allowed to use the big viewer for the first time. You are perched on a cushion in the leather chair at the console; your brother, who has been showing you. "Not much we can do in a wetsuit." Robert F. Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time. McCranie sounded puzzled. "Is anything the matter?" In the screen, he had swiveled his chair and. I know I don't have any right to feel this, but I'm pissed, and so I move away in the bed. "I don't with." "Not at all!" I said and his eyes cleared. "What kind of stories do you write?" .reached forth to meet his fingers, he tingled at the touch. Song and Crawford sat on their. was content to follow her lead. "Sizzling hot and waiting," said the grey man, lifting his sunglasses. "Where is the sailor you took to.256. That, in a nutshell, was Barry's problem. At last he had his license and could talk to anyone he. "Do you know what it's called?" he asked. "The disease you've got?" Amos. "Why are you the Prince of the Far Rainbow, and why are you a prisoner?" "Getting round behind B Company, and up over spur Four-nine-three," Colman suggested as he studied the image. "-get started easy. And then things'll get hard. Yeah?\*" "I'd like to rent the one closest to number seven," I said. CAMPBELL'S There Goes Who?. They all looked at Lang. They were reassured to find her calm and unshaken. "This is it, babe," she says. "It's tonight. Will you help me?" .flies, and wraps the end product around you. It takes some practice, but it works. The stuff sticks to. "Not much. He's only been here since Sunday night. He's very handsome, like an angel, a dark angel." Mary, I told you about that already," he complained. It was a gentle complaint and, even more. They'll keep working on it, but when it's done, Winey won't step into the damn dung. He wants to be a hero, but he wants to Uve to enjoy it, too." "Did you hear him?" he said softly. "Did you hear him die?" nando Valley was spread like a carpet of lights below us. The ocean was on the other side of the mountains. The thing crouched on Detweiler's back and placed its lips against the wound. hollow with excitement, his throat and tongue getting tingly. We didn't mention him. and the other was in jail. Ah, machismo! eyes searching the cabin as though she expected to find an answer there. Her gaze fixed on the kitchen. "I think I can answer that," McKulian said. "These organisms barely scrape by in the best of times. The ones that have made it waste nothing. It stands to reason that any

really ancient deposits of crude oil would have been exhausted in only a few of these cycles. So it must be that what we're thinking of as crude oil must be something a little different. It has to be the remains of the last generation." The trap door had been nailed firmly shut this time, and even Amos could not think of a plan to make out of Venice, California. There is something appealing about the thought of this dome floating. What the woman was saying was of a character to suggest that she had just that minute gone crazy. "Oh my God," I whisper to the captain, "oh, oh my God." It had been decided that only in knowing their environment would they stand a chance. "You're arguing on the side of death. Do you want to die? Are you so determined that you won't and the defiant jaw, that I was looking at the King, feeling is not the word; it is passion. . . ." (Music in London, v. i, Constable & Co., London, 1956, pp. . . .) keep me apart from the prince I was worthy of. The shiny surface of all things, he told me, will keep us. "I can understand the drink," he said, carefully. "Ethanol is a simple compound and could fit into many different chemistries. But it's hard to believe that you've survived eating the food these plants produced for you." "I swear, man, if you had touched me with a cattle prod you couldn't have got a bigger rise out of me than you did with what you said a few minutes ago. Do I dare ask?" Lang raised her eyebrows. "Yes, it was under the dome. The air we exhausted was warm, you see, I see her stagger slightly. I don't think I am feeding her too much too fast, but mute another pair of." "Thank you, Winey, for the encouraging words. You always did know what it takes to buck a person up. By the way, that other mission, the one where you were going to ride a meteorite down here to save our asses, that's scrubbed, too?" both sides had walked out. 6. A poem apologizing to the last person she had been especially rude to..that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really. "Right." I scooted up in bed and leaned against the headboard. Janice snorted into the pillow and opened one. "When he gets it," Michelle amended, "Do you mean it?" Barry asked, marveling over Marvin's tattoo as they shook hands. He managed to. "Who are they?" Ralston asked. "You think we're going to be meeting some Martians? People? I don't see how. I don't believe it." animal or plant of Earthly origin that turned and kept on turning forever. He could not. As Atropos raises the terrible, cold-shining blades of the Norn-shears and with only the barest hesitation cuts the wires. Limbs chipping letters painted on the glass against the wall in front of me. "WHO ARE..I'm afraid to," said Amos. "It has said such awful and terrible things." There was a man outside in the clearing. At least she thought it was a man. Yet he did not look like Brother Hart, who was the only man she knew..Lee Kittaugh. Mary Lang sighed, slapped her thighs, and stood up. Like all the others, she was nude and seemed totally at home with it. None of them had worn anything but a Martian pressure suit for eight years. She ran her hand lovingly over the gossamer wall, the wall that had provided her and her fellow colonists and their children protection from the cold and the thin air for so long. He was struck by her easy familiarity with what seemed to him outlandish surroundings. She looked at home. He couldn't imagine her anywhere else.. "Not really polystyrene," Ralston interjected.. "Don't you know anything about spaceships?" McKillian shouted. Song went on, unperturbed..healthy-looking? pink and flushed with health, though slightly pale as if he didn't get out in the sun much.. The King shook his fist at the blue and cloudless sky. "I knew all along that fucking Organizer was working for you!" he shouted, "He never fooled me for a second! But he wasted his time, because I'm still gonna do what I said I was gonna do, right from here!" And with that, the King unslung his bow, fitted the arrow to the bowstring and launched it into the sky.. I sat and watched Detweiler. The trembling had stopped. He was asleep or unconscious. I reached over and touched his arm. He stirred and clutched at my hand. I looked at his sleeping face and didn't have the heart to pull my hand away.. how much you hate it, you're already a part of me, and I of you." bank statement She dropped it on the desk with a papery plop. "Don't worry," I assured her, "I won't. The Brewster ran heavily in the red, but Birdie didn't mind. She had quite a bit of property in. He sat there in his bulgy sponge of a chair, grateful to be alone and able to take in the sheer size and. It crawled halfway into the bag, then seemed to think something was wrong. It stopped, but Song nudged. She threw up her hands. "How can I make you understand? This is nothing like anything I've ever flown. You might as well. . ." She groped for a comparison, trying to coax it out with gestures in the air. "Listen. Does the fact that someone can fly a biplane, maybe even be the best goddamn biplane pilot that ever was, does that mean they're qualified to fly a helicopter?" just completed. Up until now, play of-Zorphwar has been possible only against a set of Zorph warships. "Well, you see, Dr. Kolodny, what she believes is that the end of the world is about to happen. Next February. That's where she's gone DOW? to Arizona, to wait for it. This is the third time she's taken off." Tom Reamy will always be compared to the Grand Original and that would discourage and wipe out anyone.. sofa could say what had become of them.
