She stood straight and said nothing..Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "Wait here a little, if you please, Irian," the Doorkeeper said, and went into the room, leaving the door wide open behind him. She could see bookshelves and books, a table piled with more books and inkpots and writings, two or three boys seated at the table, and the grey-haired, stocky man the Doorkeeper spoke to. She saw the man's face change, saw his eyes shift to her in a brief, startled gaze, saw him question the Doorkeeper, low-voiced, intense..the Kargish forces, who had landed in "a thousand ships" on Waymarsh and were swarming across the. Losen never left the marble palace where he sat all day, served by slaves, seeing the shadow of the sword of Erreth-Akbe slip like the shadow of a great sundial across the roofs below. He gave orders, and the slaves said, "It is done, your majesty." He held audiences, and old men came and said, "We obey, your majesty." He summoned his wizards, and the mage Early came, bowing low.
