members of the expedition were sleeping. The blowout was over in ten seconds, and she then had the Canyon. Matthew Crawford shivered in the dark, his suit heater turned to emergency setting, his eyes. Eli didn't see it that way. "Hell, Jake, they'll have to come through," he said. "We've got them right by the balls!". "Since ... I was a kid." He grinned. "You think it was one of those brews the old witch-woman gave me caused it? Maybe I could sue for malpractice." I turn to leave and meet Stella in the hall. The top of her head comes only to my shoulders, and so suddenly you would find yourself face-to-face with a new conversational partner. You could also, for 8. Jack gazed out at the moon and sighed. "If it were daylight, I wonder could I see all the way to the Far Rainbow from here." Barry was as good as his word and went to Center St. the very next morning to take his third exam. The computer assigned him to. I raised my brows. So the day of departure was a stiff, determinedly nonchalant affair. His first endorsement proved to have been beginner's lock. Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at his liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of his heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-. It would have been inconsiderate to break in upon such testimony by mentioning that his name was not, in fact, Larry. What difference does one letter make, after all?. 153. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those. Mama's voice sank to a murmur. "It concerns the one outside." Baird Searles for "Multiples"; Copyright ? 1980 by Baird Searles. "It sounds very specialized," McKillian said thoughtfully. "Maybe we should be looking for the niche it occupies. The way you describe it, it couldn't function without help from a symbiote. Maybe it fertilizes the plants, like bees, and the plants either donate or are robbed of the power to wind the spring. Did you look for some mechanism the bug could use to steal energy from the rotating gears in the whirligigs?". THE COMPANY REPRESENTATIVE: I will be brief. It's only fair to warn you, though. I'm harder to get along with than Mandy." then it's back to the audience and into the song she always tops her concerts with, the number that really made her. And there wasn't any sound at all. A tiny pinpoint of orange glowed bright for a second, about fifty feet away, where Stanistau and Carson were covering the trail from the gorge with the submegajoule laser. Colman scowled to himself. He turned his head a fraction to whisper to Driscoll. "The LCP's showing a cigarette. Tell them to get rid of it." "Matthew? Matthew, I'm sorry. I didn't meant to hurt you." The only source of illumination was a single ten-watt bulb hung behind the shadow. the fear. I tremble all over. You are right. I should sleep." The clients took the rest of the morning and a good portion of the afternoon, looking at estates all over Aventine. A sale of the size property they were interested in would bring a big commission, too big for me to risk seeming preoccupied or impatient. I kept smiling, though inside I felt as Selene looked when she forced herself to walk slowly beside

I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the engine. The San Fer-.asked the empty room..Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter?and look how often they fail. If judgments of beauty and truth art difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers\* desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (tike the Daily News system of stars) is always colliding with readers' tastes.
